With your help we have raised over \$3.5 million for conservation, humanitarian, and education projects locally and throughout the United States and the world.

CONSERVATION PROGRAMS

GBA has raised over \$450,000 over the past 13 years for California Fish and Wildlife by auctioning special tags at the annual fundraiser.

This year the GOLDEN OPPORTUNITY deer tag will once again be auctioned!

Recent sponsored conservation projects include deer collaring and studies of deer lice problems within California.

HUMANITARIAN ACTIVITIES

You will be helping educate our educators and students by attending and donating as we send students and teachers to the American Wilderness Leadership School (AWLS). Veterans support is also paramount as we support several hunts each year for our service men and women. Our Feed the Hungry programs have donated over 6 tons of food to those in need right here in the Bay Area.

YOUTH HUNTING PROGRAM

Bringing the future of our sport into focus as we sponsor shooting dates at the range, pheasant hunts, and fishing trips for youth 16 and under. For the fundraiser, every youth is guaranteed a prize appropriate to their age.

A limited number of rooms are available at the San Ramon Hyatt House. Call 925-743-1882 and ask for SCI Greater Bay Area Fundraiser rates/rooms.

Early Bird Deadline: February 3, 2018
